Description:

This property is located in a valley only 2 km from the centre of Camaioere, a lovely small town 10 km from the beaches of Versilia. The position is very quiet. The whole small valley belongs to the same owner, who has restored both La Damigella and Alisso, the other property on the estate. The two properties have their own large garden and total privacy.

Casa Damigella was immaculately renovated by its discerning owners and has been furnished with all modern comforts. Each bedroom has its own bathroom and a DSL Internet connection is at guests' disposal. A particular feature of this property is the very well furnished area between the house and the pool, equipped with a built-in barbecue and ideal for al fresco dining.

The flat front garden is ideal for children. Its proximity to the beaches also makes Casa Damigella an ideal place for families. At the same time, being at less than 10 km from the nearest motorway exit, it is an ideal base for exploring the main Tuscan towns.
